We are excited to introduce Cecilio Leal, who is currently building a large BBQ pit cooker for the Brazoria County fair. He has been working on this project since last school year, and can't wait to sell it in the auction. Congratulations Cecilio!

SAE SPOTLIGHT & FFA MEMBERS OF THE MONTH

This month, we are proud to recognize Reu Padilla (left), Izaak Pina (right) and Daniel Virdjee (not pictured). These students have attended many FFA events, contests and meetings. They build and show Ag Mechanics SAE projects and compete on the Applied Ag Engineering CDE team. They are all three in the Agricultural Fabrication course this year.

"Reu, Daniel and Izaak were very involved last year and impressed us by always being willing to go to every event, no matter what it was." - FFA Officer Team

A FEW WORDS FROM OUR PRESIDENT...

"Being involved in FFA for the past four years has brought unforgettable memories and many opportunities to help further my education in agricultural topics while also helping me become a well rounded individual. Leadership is one of the most valuable skills I have obtained in FFA."

NEXT CHAPTER MEETING: Monday, 9/11, 6 pm, Galley
