FFA Membership and Dues

Annual Membership dues are required to become a member of the Brazosport FFA, and the cost of the FFA dues are \$20. This includes dues for Local (\$2.50), District III-Southwest (\$2), Area III (\$1.50), Texas FFA Association (\$7), and the National FFA Organization (\$7). Membership also includes a subscription to the FFA Horizons Magazine which will arrive sometime after January 1st. In order to be considered an active member of the Brazosport FFA Chapter and compete/participate in all aspects of the Brazosport FFA Chapter, you must abide by the following rules, as stated in the National FFA Manual:

2. Pay your FFA dues by October 1, 2023 to an Ag Teacher with cash or check (payable to Brazosport FFA).
3. Display conduct consistent with the ideals and purposes of the National FFA Organization.

Members are considered "In Good Standing" by the chapter when they meet the following criteria:

Brazosport Jr. FFA Membership and Dues

Joining the Jr. FFA allows the member to participate in local meetings as well as showing at county and major livestock shows under the supervision of the Ag Science teachers. Since they are not enrolled in a high school Ag Science class they are not allowed to participate in LDE's or CDE's that are sponsored by the Texas FFA. Jr. FFA members will be considered active and remain active FFA members as long as they pay their dues and attend both the first FFA meeting and one additional meeting during the year.

FFA Jackets

FFA Jackets can be purchased for \$85. This will include your jacket and a tie/scarf and cover shipping costs. Students who need a jacket "tailored" because a standard size does not fit them properly (i.e. extra long arms) are charged an additional \$20. Please allow approximately 4 weeks for delivery. All members are encouraged to purchase a FFA Jacket if they have plans of competing on LDE's or CDE's. All jacket orders will be placed by the Agriscience Instructors. No jackets will be delivered to students until they have paid in full. Each year a jacket will be awarded to the Greenhand who says their FFA Creed from memory at the Southwest District LDE Contest.

FFA Chapter Apparel

FFA Chapter apparel can be purchased through our online merchandise store. The link for this store will be released on Facebook at the beginning of October. The current Officer Team designed this year's logo.

State Convention

Texas FFA convention is the highlight of Texas FFA's year. Nearly 15,000 FFA members, advisors, administrators, alumni, parents and industry partners come together to celebrate the achievements won by the past and present generations of agriculturalists, while continuing to develop their potential for premier leadership, personal growth and career success. Attendees will be inspired and motivated to take pride in our industry, serve our communities, and become leaders of the next generation.

While at the convention, FFA members and guests will experience motivational speakers, award presentations, exciting exhibits, and plenty of entertaining activities. Tentative costs are estimated at \$250-\$300 per student and this includes transportation, hotel, registration costs, and a fun day activity.

Washington Leadership Conference

Each year, FFA members from all over the United States travel to Washington, D.C., to attend the Washington Leadership Conference (WLC). During the five-day event, attendees learn how to become effective leaders by learning their purpose, how to value people, how to take action and how to serve others. FFA members leave WLC with the knowledge and the confidence to act in ways that help their schools, community and their country. WLC is no ordinary leadership experience. You will spend a week putting these skills into practice as you make new friends from across the United States and tour our nation's capital. This action-packed week will help you gain self-confidence and leadership skills to take back to your FFA chapter and share with other members. Tentative costs are estimated at \$900 plus flight per student, this includes everything except spending money.

FFA Member Participation

Every FFA member should take advantage of the variety of activities that the FFA has to offer. We will recognize those members of the FFA who have actively participated in the many activities offered. In order for a member to be considered active they must have paid their dues. Additionally, members will not be selected to travel to any District, Area, or State FFA activities unless they have been active in local chapter activities. The FFA Creed

I believe in the future of agriculture with a faith born not of words but of deeds - achievements won by the present and past generations of agriculturists; in the promise of better days through better ways even as the better things we now enjoy have come to us from the struggles of former years.

I believe that to live and work on a good farm, or to be engaged in other agricultural pursuits, is pleasant as well as challenging; for I know the joys and discomforts of agricultural life and hold an inborn fondness for those associations which, even in hours of discouragement, I cannot deny.

I believe in leadership from ourselves and respect from others. I believe in my own ability to work efficiently and think clearly, with such knowledge and skill as I can secure, and in the ability of progressive agriculturists to serve our own and the public interest in producing and marketing the product of our toil.

I believe in less dependence on begging and more power in bargaining; in the life abundant and enough honest wealth to help make it so - for others as well as myself; in less need for charity and more of it when needed; in being happy myself and playing square with those whose happiness depends upon me.

I believe that American agriculture can and will hold true to the best traditions of our national life and that I can exert an influence in my home and community which will stand solid for my part in that inspiring task.

The student will write, gain instructor approval, and deliver a Thank You note to the individuals who provide the premium money or the buyer of their project. A photograph of the exhibitor and their project should accompany the note if at all possible. Some Thank you notes will have a deadline to be completed by. These deadlines will be announced in class and in the monthly newsletter.

Quality Counts Certification

Texas has the largest number of 4-H and FFA livestock projects in the nation. Young people participate at the county, district, regional and state level. The tremendous support and dedication of livestock show officials help make this possible. With this opportunity comes a responsibility for each exhibitor to learn and demonstrate the highest standards, both in personal character and in the feeding and care of their animals.

“Quality Counts” is designed to teach young people the importance of displaying good character in carrying out livestock projects, and in every aspect of their lives. “Quality Counts” helps them learn the importance of using proper livestock management practices so that food quality and safety are preserved. Each student that exhibits a livestock project at a livestock show in the State of Texas must complete the online Quality Counts program. BISD Funding Policy for Meals and Travel

Brazosport FFA will provide meal money for District, Area and State Conventions only. It is the responsibility of the student and their family to fund meals at all other FFA events, contests and shows.

Brazosport FFA will provide all travel expenses for LDE/CDE contests, conventions, and other field trips. It is the responsibility of the student and their family to fund all travel expenses for livestock and project shows and other events. Travel expenses for program funded Ag mechanics projects will be paid for by Brazosport FFA. This may require some ag mechanics students to pay $\frac{1}{2}$ or $\frac{1}{3}$ of a hotel room at times.

Hotels and travel arrangements will be made by the FFA advisors to ensure that students are housed in a safe, economical and proximal location. Students’ families will pay for hotel rooms by paying the owed amount directly to Brazosport FFA. This also ensures that all school tax exemptions are in place as well.
